

COUNCIL ACTION FORM

SUBJECT: CONTRACT RENEWAL FOR WATER METERS AND RELATED ACCESSORIES

BACKGROUND:

On February 10, 2015, Itron, Inc. was awarded a contract for the procurement of an Automatic Meter Reading System, including hardware, software, meters, installation, and maintenance services. The contract also includes up to four 12-month renewals, with the timing of each renewal to run with the City's fiscal years. **Itron has provided firm unit pricing for FY 2019/20 with a 1% increase from the FY 2018/19 contract renewal that was approved June 12, 2018. This is the fourth and final renewal for the contract.**

The operating budget anticipates a baseline of 1,000 meters per year for routine meter replacements and an additional 400 meters per year for new construction. Additional funds are included in the CIP so that the meter change out can be completed in an eight-year period. The adopted FY 2019/20 budget for this project is as follows.

FY 19/20 Operating Budget	
Routine Meter Changes	\$176,000
New Construction	70,400
<u>FY 19/20 CIP Budget</u>	<u>204,000</u>
Total Available Budget	\$450,400

Attached is the proposed contract renewal with Itron. This would be the fifth year of the eight-year replacement cycle.

ALTERNATIVES:

1. Approve the final optional renewal of the contract with Itron, Inc. of Liberty Lake, WA, to furnish radio units, meters, and related parts and services for July 1, 2019, through June 30, 2020, per the unit cost quotation dated April 4, 2019, in an aggregate amount not to exceed \$450,400.
2. Do not renew the contract with Itron.

CITY MANAGER'S RECOMMENDED ACTION:

The City has entered into a project to install an Automatic Meter Reading (AMR) system using meter reading equipment and meters provided by Itron, Inc. Staff has reviewed the pricing from Itron, Inc., for FY 2019/20 and has concluded that the pricing still provides the best value for our customers.

Therefore, it is the recommendation of the City Manager that the City Council adopt Alternative No. 1, as described above.

ITRON SALES AGREEMENT

This Itron Sales Agreement (the "**Agreement**") is entered into as of the date of last signature below (the "**Effective Date**") by and between Itron, Inc. ("**Itron**") and City of Ames ("**Customer**"). Itron and Customer may each be referred to as a "**Party**" and together as the "**Parties**."

The Parties agree as follows:

1. Equipment Terms

a. *Equipment Purchase.*

Customer agrees to purchase the equipment, if any, identified on Attachment A (the "**Equipment**") from Itron at the price(s) pursuant to the terms of this Agreement. Prices set forth on Attachment A are valid for the later of one year from the date of this Agreement or the date set forth on Attachment A (the "**Pricing Period**").

b. *Ordering*

Upon execution of this Agreement, Customer will provide Itron with a forecast of its intended endpoint and third party equipment purchases for the remainder of Customer's current fiscal year, February 10, 2015 to June 30, 2015. For each quarter of Customer's fiscal year beginning July 1, Customer shall provide Itron with shipment dates and the quantity of endpoints and third party equipment to be shipped during such quarter. Customer reserves the right to vary from the quarterly forecast by fifteen (15%). If Customer desires to change the mix of endpoints to be shipped, it shall so notify Itron in writing at least sixty (60) days before the scheduled shipping date and Itron shall use reasonable efforts to accommodate such change. Itron is responsible for coordinating and verifying that orders for third party equipment shall be shipped within agreed time parameters and is responsible for reporting this information to the City. Itron shall only ship endpoints and third party equipment as authorized by a Customer order as further set forth below.

During the term of this Agreement, Customer shall order quantities of product by issuing a purchase order, change order or release (each an "**Order**") to Itron, in each case specifying the type and quantity of product, the shipment destination and the requested delivery date. Unless otherwise agreed in a separate writing signed by an authorized representative of each Party, the requested delivery date in a correct (correct part numbers, pricing, etc.) Order for forecasted product must be no earlier than thirty (30) days following Itron's receipt of such Order. For unforecasted product, the requested delivery date in a correct Order must be no earlier than ninety (90) days following Itron's receipt of such Order.

c. *Firmware*

The purchase of Equipment manufactured by Itron will include a perpetual, irrevocable license to use and execute any software embedded in the Equipment. The license to any software embedded in third party Equipment provided by Itron shall be between Customer and the manufacturer of such third party Equipment.

d. *Invoicing.*

Itron will invoice Customer for the Equipment upon shipment.

e. *Delivery, Title and Risk of Loss.*

Unless otherwise agreed by the Parties, Itron will make arrangements with its carrier to deliver Equipment to Customer's location at Customer's expense. For Equipment delivered to Canada, title to the Equipment and risk of loss shall pass to Customer upon delivery to the Customer. For Equipment delivered to all other locations, title to the Equipment and risk of loss shall pass to Customer upon Itron's delivery to a carrier for shipment to Customer.

f. *Limited Equipment Warranty*

i. *Warranty and Remedy.*

Except to the extent otherwise provided in Attachment A, Itron warrants to Customer that the Equipment that is manufactured by Itron will be free from defects in materials and workmanship and will conform to the applicable published Itron specifications for a period of one year from the date of shipment. Except to the extent otherwise provided in Attachment A, Itron's sole obligation and Customer's exclusive remedy in connection with the breach of a warranty provided under this Section or under Attachment A shall be for Itron to repair non-conforming Equipment or provide Customer with replacement Equipment after Customer has returned non-conforming Equipment properly packaged and prepaid to a repair facility designated by Itron in accordance with Itron's then-current RMA procedures. If Itron, in its sole discretion, determines that it is unable to repair or replace such non-conforming Equipment, Itron will refund to Customer the amount paid for such Equipment. Equipment that is repaired or replaced pursuant to this Section will be warranted for the remainder of the original warranty period or 30 days, whichever is longer. Customer will pay the cost of returning non-conforming Equipment to the place of repair designated by Itron and Itron will pay the cost of delivering repaired or replacement Equipment to Customer.

ii. *Exclusions.*

The warranty provided herein does not cover damage due to external causes, including accident, abuse, misuse, inadequate maintenance, problems with electrical power, acts of God; service (including installation or de-installation) not performed or authorized by Itron; usage not in accordance with product instructions or in a configuration not approved by Itron; normal wear and tear; and problems caused by use of parts and components not supplied by Itron. The warranty provided herein shall be void if the Equipment is modified in a way not authorized in writing by Itron. The above warranty does not cover any third party equipment provided by Itron. Any warranty for such equipment will be between Customer and the third party manufacturer. Any available third party equipment warranties are attached hereto as Attachment C.

2. Software Terms

a. *Definitions.*

"**Delivery**" with respect to Software, means that Itron has either made the Software available to Customer via electronic means or has provided the Software to a carrier on physical media for delivery to Customer.

"Documentation" means all printed or electronic materials published or otherwise that are provided to Customer and that describe or relate to the functional, operational or performance capabilities of the Software.

"Endpoint" means (i) a physical device (e.g., a meter, encoder-transmitter-receiver or other measuring or monitoring device) that is the source of data used in the Software application or (ii) a virtual device created in the Software application to simulate the existence of a physical device. An example of a virtual device that is an Endpoint would include a single electricity meter that serves 10 apartment units. If the consumption data from that electricity meter was divided between the 10 units (e.g., on the basis of square footage) and used in the Software application as if that single electricity meter was actually 10 electricity meters, it would count as 10 Endpoints. Further, each account, whether active or inactive, in the application that is associated with a single physical device counts as a separate Endpoint.

"Object Code" means the binary, machine-readable version of the Software.

"Production Environment" means a single instance of the Software used in an environment other than a Test Environment.

"Software" means software identified on Attachment A that is owned by Itron and any modifications, corrections, improvements or enhancements thereto provided by Itron.

"Source Code" means human-readable computer programming code, associated procedural code and related documentation.

"Specifications" means the applicable published Itron functional specifications for an item of Software.

"Test Environment" means a single instance of the Software used solely for test purposes. Such installation can only be used to verify the correct installation, operation, and integration of the Software and/or components.

"Third Party Software" means software that is not owned by Itron but is identified on Attachment A as being provided by Itron.

"Use" means the ability to run, execute, display and, subject to the restrictions described below, duplicate and distribute internally.

"Warranty Period," with respect to a particular item of Software, means the warranty term beginning on the warranty start date, as set forth on Attachment A. If no such period is identified on Attachment A, the Warranty Period shall be 90 days from the date of Delivery.

b. License Grant.

Subject to the terms of this Agreement and for the license fee set forth on Attachment A, Itron grants to Customer a nonexclusive, nontransferable, perpetual Object Code license to Use the Software and Documentation for its internal business purposes only in connection with the number of Endpoints set forth in Attachment A.

c. Restrictions.

As a condition to the foregoing license grant, Customer shall not (i) violate any restriction set forth on Attachment A, (ii) modify or create any derivative work from the Software, (iii) include the Software in any other software, (iv) use the Software to provide processing services to third parties or on a service bureau basis, (v) reverse assemble, decompile, reverse engineer or otherwise attempt to derive Source Code (of the underlying ideas, algorithms, structure or organization) from Software, or (vi) use the Software to process business information concerning customers derived through merger, asset acquisition or other entity combination.

Except as expressly permitted in this Agreement, (i) the Software may not be installed on a computer that is not part of the Customer's computer network, (ii) Customer may not copy the Software other than to make one machine readable copy for disaster recovery or archival purposes, and (iii) installation of the Software shall be limited to one Production Environment and one Test Environment. Customer may only make copies of Documentation as reasonably necessary for the use contemplated herein. The Software and Documentation shall be considered the confidential information of Itron and, as such, shall be subject to the confidentiality provisions of this Agreement.

d. Invoicing.

Itron will invoice Customer for the Software and any Third Party Software upon Delivery.

e. Limited Software Warranty

i. Warranty and Remedy.

For the Warranty Period, Itron warrants to Customer that the Software will perform substantially in accordance with the Specifications. Itron does not warrant that the Software will operate uninterrupted or error-free. Itron's sole obligation and Customer's exclusive remedy in connection with the breach of a warranty provided under this Section shall be for Itron to repair or replace the non-conforming Software. If Itron, in its sole discretion, is unable to repair or replace non-conforming Software, Itron will refund to Customer the amount paid for such Software. Software that is repaired or replaced pursuant to this Section will be warranted for the remainder of the original warranty period or 30 days, whichever is longer. Customer's license to Software for which it has received a refund hereunder shall terminate upon its receipt of a refund.

ii. Exclusions.

The warranty provided in this Section shall not apply to the extent that non-compliance relates to or is the result of (i) use of the Software in combination with software, equipment or communications networks not provided by Itron, (ii) a change to the Software's operating environment not made or authorized by Itron, (iii) Customer's failure to install any correction or enhancement provided by Itron, (iv) viruses introduced through no fault of Itron, (v) any use of the Software not authorized by this Agreement. The warranty provided in this Section is valid only if Customer has complied with the terms of this Agreement (including paying the applicable Software license fees) and shall be void to the extent of any modification to the Software not authorized by Itron.

f. Third Party Software and Documentation.

Itron shall provide the Third Party Software, if any, identified on Attachment A and any related documentation. Any Third Party Software and related documentation provided by Itron in connection with this Agreement shall be subject to a separate license agreement between the Customer and the third party software provider and will be subject to separate third party warranties, if any. Customer agrees that it will be bound by and will abide by all such third party software licensing arrangements. Customer is solely responsible for acquiring any software that is required to use the Software or Third Party Software.

g. *Audit.*

Customer will maintain accurate and detailed records as necessary to verify compliance with this Agreement. Itron may audit these records to verify compliance at any time during Customer's regular business hours after giving notice 5 business days in advance of the audit. Except as described below, Itron will bear all costs and expenses associated with the exercise of its audit rights. Any errors in payments identified will be corrected by Customer by appropriate adjustment. In the event of an underpayment of more than 5 percent, Customer will reimburse Itron the amount of the underpayment, reasonable costs associated with the audit, and interest on the overdue amount at the maximum allowable interest rate from the date the obligation accrued.

h. *Obligations Upon Termination for Cause.*

Upon a termination by Itron for cause, Customer's license to any Software and right to receive maintenance and support for such Software shall immediately terminate and Customer shall (i) delete any Software from all of its computers, (ii) immediately deliver to Itron or destroy all copies of such Software and any related Documentation and (iii) certify in writing to Itron within 10 days of any such termination that, to the best of Customer's knowledge, Customer has complied with this Section.

i. *Other Provisions.*

Customer shall not, directly or indirectly, export or transmit the Software to any country to which such export or transmission is prohibited by any applicable regulation or statute. The Parties agree that Software provided under this Agreement shall be deemed to be "goods" within the meaning of Article 2 of the Uniform Commercial Code, except when such a practice would cause an unreasonable result. The Parties agree that the Uniform Computer Information Transaction Act (or a version thereof or substantially similar law) shall not govern this Agreement.

j. *Source Code Escrow*

i. *Registration; Deposit; License; Verification.*

Concurrent with the execution of this Agreement, the Parties shall execute the Beneficiary Registration Form attached hereto as Exhibit D thereby making Customer a beneficiary of that certain Software Escrow Agreement between Itron and EscrowTech International, Inc. ("*Escrow Agent*") dated as of October 23, 2008 (the "*Escrow Agreement*"). Upon such execution, Itron shall deposit and keep current a copy of the Source Code for the Software in escrow with the Escrow Agent for so long as Customer is entitled to receive Maintenance Services for the Software. To the extent that the Software includes third party software components, the corresponding deposit materials do not need to include the Source Code for those components and it will be sufficient if the deposit materials include an identification of those components (including release or version numbers, as applicable), the sources from which Customer may obtain the those components, and instructions for including those components in the Software. In the event of a Release Condition (as defined below), Customer may instruct the Escrow Agent to deliver a copy of the Source Code directly to Customer and, in accordance with the Escrow Agreement, Customer may receive the Source Code. Itron hereby grants Customer a worldwide, perpetual, paid-up, irrevocable license to modify, enhance, translate, convert, recompile, and upgrade the Source Code in support of Customer's authorized use of the Software, as applicable, and consistent with the terms of this Agreement. In the event Customer receives the Source Code in accordance with the terms and conditions of this Agreement and the Escrow Agreement, there will be no additional license fees charged. Customer shall have the right at any time, at Customer's expense, to obtain full verification service or the equivalent for the Software by the Escrow Agent, or otherwise contact the Escrow Agent for purposes of confirming the existence of the Source Code, including updates thereto, and for verification of the instructions to the Escrow Agent to release the Source Code as set forth in the Escrow Agreement.

ii. *Release Conditions.*

Provided Customer is entitled to receive Maintenance Services for the Software, Customer shall have the right to obtain from the Escrow Agent one copy of the Source Code in escrow, under any of the following conditions (each, a "*Release Condition*"): (A) a receiver, trustee, or similar officer is appointed for the business or property of Itron; (B) Itron files a petition in bankruptcy, makes an arrangement, composition, or similar relief under any law regarding insolvency or relief for debtors, or makes an assignment of all or substantially all of its assets for the benefit of creditors; (C) any involuntary petition or proceeding under bankruptcy or insolvency laws that is not stayed, enjoined or discharged within 60 days is instituted against Itron; or (D) Itron becomes insolvent and Customer is no longer receiving Maintenance Services for the Software.

iii. *Source Code Modifications.*

If Customer becomes entitled to a release of the Source Code from escrow, Customer may thereafter correct, modify, update and enhance the Software for Customer's use authorized under this Agreement, and such modifications, updates and enhancements shall become included with and subject to the terms of the Software license granted to Customer under this Agreement, provided that Itron will not be required to maintain or support such modifications, updates or enhancements. Itron shall own all derivative works created by or for Customer under this provision. Customer shall execute such documents and take such steps as Itron reasonably requests to perfect Itron's ownership of the intellectual property rights in such derivative works.

iv. *Confidentiality.*

Customer shall keep the Source Code confidential and use it solely for the purposes set forth in this Agreement. Customer shall restrict access to the Source Code to Customer personnel who have agreed in writing to be bound by confidentiality and use obligations consistent with those set forth herein, and who have a need to access the Source Code to carry out their duties or provide services for Customer.

3. **Professional Services Terms**

a. *Definitions.*

"*Change Order*" means a written confirmation of a change in the Professional Services, Deliverables or cost thereof that is executed by both Parties.

"*Deliverable*" means any software, reports, results, studies or other documentation identified as a "Deliverable" to be provided by Itron in a SOW.

"*Professional Services*" means the services to be provided by Itron pursuant to a SOW.

"SOW" means a written statement of work describing the activities, tasks and responsibilities of Itron and Customer that, at the time of execution, is attached hereto as Attachment B or that, subsequent to execution, references this Agreement and is executed by authorized representatives of the Parties.

b. Purchase of Professional Services; License.

During the term of this Agreement, Itron will make commercially reasonable efforts to provide to Customer the Professional Services and Deliverables, if any, described in the applicable SOW within the time periods set forth in such SOW. Changes to the Professional Services or Deliverables may only be made through a Change Order. Itron hereby grants to Customer a non-exclusive, perpetual license to use the Deliverables solely for Customer's internal purposes.

c. Fees and Expenses.

Customer agrees to pay for Professional Services in the manner set forth in the applicable SOW (e.g., on a time and materials basis or on a fixed-fee basis) and at the rates set forth on Attachment A or in the applicable SOW. Itron reserves the right to adjust rates for Professional Services performed on a time-and-materials basis no more than once each year. Customer shall also reimburse Itron for reasonable and documented travel, lodging and related expenses incurred in connection with the Professional Services.

d. Invoicing.

Professional Services will be performed on a time and materials basis or a fixed-fee basis, as set forth on Attachment A or the applicable SOW, provided that Attachment A will supersede the SOW to the extent of any conflict. Professional Services performed on a time and materials basis will be invoiced at the end of the calendar month in which they are performed. Professional Services that are performed on a fixed fee basis will be invoiced as set forth on the applicable SOW or, if not set forth on a SOW, upon completion.

e. Limited Professional Services Warranty.

Itron warrants to Customer that it shall perform the Professional Services with reasonable care and in a diligent and competent manner. Itron's sole obligation and Customer's exclusive remedy in connection with a breach of the foregoing warranty shall be to correct or re-perform the non-conforming Professional Services. If Itron, in its sole discretion, is unable to correct or re-perform non-conforming Professional Services, its sole obligation will be to refund to Customer the amount paid for such Professional Services. Customer must report any deficiencies in the Professional Services to Itron in writing within 60 days of performance to receive the warranty remedies described herein.

f. Access to Facilities and Personnel.

Customer agrees to provide Itron with access to its facilities and personnel as reasonably required for Itron to provide the Professional Services and Deliverables. All employees and representatives of Itron that perform Professional Services on Customer's premises shall comply with reasonable guidelines pertaining to employee conduct, including Customer safety procedures and policies, provided to Itron by Customer. Neither Party shall require releases or waivers of any personal rights from representatives of the other in connection with visits to its premises, and the Parties agree not to plead any such releases or waivers in any action or proceeding.

g. Insurance.

During the term of this Agreement, Itron will maintain the following minimum levels of insurance (i) workers' compensation insurance for Itron employees equal to applicable statutory limits and an employer's liability policy in an amount not less than \$1,000,000.00; (ii) an occurrence form commercial general liability policy or policies in an amount not less than \$1,000,000 per occurrence and \$2,000,000.00 aggregate; (iii) an automobile liability policy or policies in an amount not less than \$1,000,000.00 combined single limit; and (iv) a professional liability policy or policies insuring against liability for errors and omissions covering professional activities contemplated under the Agreement in an amount not less than \$1,000,000.00. Upon written request, Itron will provide Certificates of Insurance evidencing the coverage described in this Section.

4. Payment Terms and Taxes.

For invoices not paid within 30 days of the invoice date, in addition to other remedies to which Itron may be entitled, Itron may charge Customer a late fee of one percent per month applied against overdue amounts. Customer shall also be responsible for collection costs associated with late payment, if any, including reasonable attorneys' fees. No endorsement or statement on any check or payment or in any letter accompanying a check or payment or elsewhere shall be construed as an accord or satisfaction. Unless otherwise indicated on Attachment A, Customer shall pay all amounts owing under this Agreement in U.S. Dollars. The prices set forth on Attachment A do not include taxes. Customer will be responsible for and pay all applicable sales, use, excise, value-added and other taxes associated with the provision of products or services by Itron, excluding taxes on Itron's income generally. If Customer is a tax exempt entity, or pays taxes directly to the state, Customer will provide Itron with a copy of its Tax Exemption Certificate or Direct Pay Permit, as applicable, upon execution of this Agreement.

5. Changes.

Changes to the products or services ordered by Customer pursuant to this Agreement, including the purchase of additional quantities or entirely new products or services, may be made at Itron's then-current pricing by purchase order or Change Order (in a form acceptable to Itron), provided that any such purchase order must first be accepted by Itron.

6. Confidentiality.

With respect to any information supplied in connection with this Agreement and designated by either Party as confidential, or which the recipient should reasonably believe to be confidential based on its subject matter or the circumstances, the recipient agrees to protect the confidential information in a reasonable and appropriate manner, and to use and reproduce the confidential information only as necessary to realize the benefits of or perform its obligations under this Agreement and for no other purpose. The obligations in this Section will not apply to information that is: (i) publicly known; (ii) already known to the recipient; (iii) lawfully disclosed by a third party; (iv) independently developed; or (v) disclosed pursuant to a legal requirement or order. The recipient may disclose the confidential information on a need-to-know basis to its contractor's, agents and affiliates who agree to confidentiality and non-use terms that are

substantially similar to these terms. The parties acknowledge and agree that any software provided by Itron in connection with this Agreement shall be considered the confidential information of Itron.

7. IP Ownership.

Between Itron and Customer, all patents, copyrights, mask works, trade secrets, trademarks and other proprietary rights in or related to any product, software or deliverable provided by Itron pursuant to this Agreement are and will remain the exclusive property of Itron. Any modification or improvement to an Itron product or deliverable that is based on Customer's feedback shall be the exclusive property of Itron. Customer will not take any action that jeopardizes Itron's proprietary rights nor will it acquire any right in any such product, software or deliverable or Itron's confidential information other than rights granted in this Agreement.

8. Indemnification

a. General Indemnity.

Itron will defend Customer from any third party claim for (i) wrongful death of or bodily injury, to the extent caused by Itron's negligence, gross negligence or intentional torts, or (ii) physical damage to tangible personal property, to the extent caused by Itron's negligence, gross negligence or intentional torts, and will pay costs and damages awarded against Customer in any such claim that are specifically attributable to Itron's negligence, gross negligence or intentional torts or those costs and damages agreed to by Itron in a monetary settlement of such claim.

b. Infringement Indemnity.

Itron will defend at its own expense any action brought against Customer by an unaffiliated third party to the extent that the action is based upon a claim that any product manufactured, software licensed or service provided by Itron hereunder directly infringes any U.S. patent (issued as of the Effective Date) or any copyright or trademark, and Itron will pay those costs and damages awarded against Customer in any such action that are specifically attributable to such claim or those costs and damages agreed to by Itron in a monetary settlement of such action. The foregoing indemnity does not apply to products not manufactured by Itron or software licensed by third parties.

c. Conditions to Infringement Indemnity.

Itron's infringement indemnity obligations under this Section are conditioned on Customer's agreement that if the applicable product or service becomes, or in Itron's opinion is likely to become, the subject of such a claim, Customer will permit Itron, at Itron's option and expense, either to procure the right for Customer to continue using the affected product or service or to replace or modify the same so that it becomes non-infringing. Such replacements or modifications will be functionally equivalent to the replaced product or service. If the foregoing alternatives are not available on terms that are reasonable in Itron's judgment, Itron shall have the right to require Customer to cease using the affected product or service in which case Itron will refund to Customer the depreciated value of the affected product or service.

d. Exclusions.

Itron shall have no obligation under this Agreement to the extent any claim of infringement or misappropriation results from: (i) use of a product or service, other than as permitted under this Agreement or as intended by Itron, if the infringement would not have occurred but for such use; (ii) use of any product or service in combination with any other product, equipment, software or data, if the infringement would not have occurred but for such combination; (iii) any use of any release of a software or any firmware other than the most current release made available to Customer, (iv) any claim based on Customer's use of a product after Itron has informed Customer of modifications or changes to the product required to avoid such claims and offered to implement those modification or changes, if such claim would have been avoided or mitigated by the implementation of Itron's suggestions, (v) any modification to a product made by a person other than Itron or an authorized representative of Itron, or (vi) compliance by Itron with specifications or instructions supplied by Customer. Itron shall not be liable hereunder for enhanced or punitive damages that could have been avoided or reduced by actions within the control of Customer.

e. Right to Defend.

As a condition to Itron's indemnity obligations under this Agreement, Customer will provide Itron with prompt written notice of the claim, permit Itron to control the defense or settlement of the claim and provide Itron with reasonable assistance in connection with such defense or settlement. Customer may employ counsel at its own expense to assist it with respect to any such claim.

f. Indemnity Disclaimer

THIS SECTION CONSTITUTES ITRON'S SOLE AND EXCLUSIVE OBLIGATION WITH RESPECT TO THIRD PARTY CLAIMS BROUGHT AGAINST CUSTOMER.

9. Warranty Disclaimer.

EXCEPT AS EXPRESSLY SET FORTH IN THIS AGREEMENT, ITRON DISCLAIMS ALL EXPRESS OR IMPLIED WARRANTIES, CONDITIONS OR REPRESENTATIONS INCLUDING, WITHOUT LIMITATION, (I) IMPLIED WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE, (II) WARRANTIES OF TITLE AND AGAINST INFRINGEMENT AND (III) WARRANTIES ARISING FROM A COURSE OF DEALING, USAGE OR TRADE PRACTICE. TO THE EXTENT ANY IMPLIED WARRANTY CANNOT BE EXCLUDED, SUCH WARRANTY IS LIMITED IN DURATION TO THE EXPRESS WARRANTY PERIOD.

10. WAIVER OF CONSEQUENTIAL DAMAGES.

NOTWITHSTANDING ANYTHING TO THE CONTRARY IN THIS AGREEMENT, IN NO EVENT WILL EITHER PARTY BE LIABLE UNDER ANY CONTRACT, NEGLIGENCE, STRICT LIABILITY OR OTHER LEGAL OR EQUITABLE THEORY FOR COVER OR FOR INCIDENTAL, SPECIAL, CONSEQUENTIAL (INCLUDING LOSS OR CORRUPTION OF DATA OR LOSS OF REVENUE, SAVINGS OR PROFITS) OR EXEMPLARY DAMAGES, EVEN IF THE PARTY HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. ITRON'S PRICING REFLECTS THIS ALLOCATION OF RISKS AND LIMITATION OF LIABILITY.

11. CAP ON LIABILITY.

NOTWITHSTANDING ANYTHING TO THE CONTRARY IN THIS AGREEMENT, EXCEPT FOR A BREACH BY CUSTOMER OF (I) ANY INTELLECTUAL PROPERTY RIGHT OF ITRON OR (II) ANY LICENSE GRANTED BY ITRON HEREUNDER, THE AGGREGATE LIABILITY OF EACH PARTY AND ITS AFFILIATES AND ITS AND THEIR OFFICERS, DIRECTORS, EMPLOYEES OR OTHER REPRESENTATIVES, ARISING IN ANY WAY IN CONNECTION WITH THIS AGREEMENT—WHETHER UNDER CONTRACT LAW, TORT LAW, WARRANTY OR OTHERWISE—SHALL NOT EXCEED THE TOTAL AMOUNT PAID AND PAYABLE HEREUNDER. ITRON SHALL NOT BE LIABLE FOR ANY CLAIM MADE THE SUBJECT OF A LEGAL PROCEEDING MORE THAN TWO (2) YEARS AFTER THE CAUSE OF ACTION ASSERTED IN SUCH CLAIM AROSE. ITRON'S PRICING REFLECTS THIS ALLOCATION OF RISKS AND LIMITATION OF LIABILITY.

12. Term and Termination

a. *Term of Agreement.*

Unless terminated earlier as provided herein, the term of this Agreement shall be from the Effective Date through December 31st of the year in which any products or services to be provided hereunder have been provided. The term of this Agreement shall thereafter automatically renew for successive one year periods unless either Party provides the other with written notice of its intent not to renew at least 90 days prior to such termination; provided, however, that Customer shall be obligated to purchase and Itron shall be obligated to provide any product or service that is the subject of an unfulfilled order accepted by Itron prior to the time of any such termination. Notwithstanding the foregoing, the term of any license provided by Itron hereunder shall be as set forth in the provision granting such license.

b. *Termination for Cause.*

Other than Customer's nonpayment which shall constitute a breach of this Agreement if full payment is not received within five (5) days of written notice, either Party may terminate this Agreement by providing the other Party with written notice if the other Party (i) becomes insolvent, executes a general assignment for the benefit of creditors or becomes subject to bankruptcy or receivership proceedings; (ii) breaches its obligations related to the other Party's confidential information; or (iii) commits a material breach of this Agreement that remains uncured for 30 days following delivery of written notice of such breach (including, but not necessarily limited to, a statement of the facts relating to the breach or default, the provisions of this Agreement that are in breach or default and the action required to cure the breach or default).

c. *Survival.*

Any provision of this Agreement that contemplates performance or observance subsequent to termination or expiration of this Agreement shall survive termination or expiration and continue in full force and effect for the period so contemplated including, but not limited to, provisions relating to warranties and warranty disclaimers, intellectual property ownership, payment terms, confidentiality, waiver of consequential damages, and cap on liability.

13. Miscellaneous

a. *Entire Agreement.*

This Agreement and any attachments hereto constitute the entire agreement between the Parties with respect to the subject matter hereof and supersede all previous agreements pertaining to such subject matter. All prior agreements, representations, warranties, statements, negotiations, understandings, and undertakings are superseded hereby and Customer represents and acknowledges that it has not relied on any representation or warranty other than those explicitly set forth in this Agreement in connection with its execution of this Agreement. Neither Party shall be bound by terms and conditions imprinted on or embedded in purchase orders, order acknowledgments, statements of work not attached hereto or other communications between the Parties subsequent to the execution of this Agreement.

b. *Amendments and Waivers.*

Any term of this Agreement may be amended and the observance of any term of this Agreement may be waived (either generally or in a particular instance and either retroactively or prospectively), only by a writing signed by an authorized representative of each Party and declared to be an amendment hereto. No delay or failure to require performance of any provision of this Agreement shall constitute a waiver of that provision. No waiver granted under this Agreement as to any one provision herein shall constitute a subsequent waiver of such provision or of any other provision herein, nor shall it constitute the waiver of any performance other than the actual performance specifically waived.

c. *Governing Law; Jury Trial.*

This Agreement and performance hereunder will be governed by and construed in accordance with the laws of the State of Iowa without reference to Iowa conflicts of law principles or the United Nations Convention on Contracts for the Sale of Goods. THE PARTIES HEREBY UNCONDITIONALLY WAIVE THEIR RESPECTIVE RIGHTS TO A JURY TRIAL OF ANY CLAIM ARISING IN ANY WAY IN CONNECTION WITH THIS AGREEMENT.

d. *Assignment.*

Customer may not assign or transfer its interests, rights or obligations under this Agreement by written agreement, merger, consolidation, operation of law or otherwise without the prior written consent of an authorized executive officer of Itron. Any attempt to assign this Agreement by Customer shall be null and void.

e. *Force Majeure.*
