

December 2, 2019
File No. 27219426.00

Mr. Brian Trower
Assistant Director – Electric Department
Ames Municipal Electric System
502 Carroll Avenue
Ames, Iowa 50010

Subject: Notification of Assessment Monitoring Pursuant to 40 CFR 257.95

Dear Mr. Trower,

An assessment monitoring program was established for the existing Coal Combustion Residuals (CCR) Surface Impoundment associated with the Ames Municipal Electric System on November 13, 2019. This notification has been prepared in accordance with 40 CFR 257.94(e)(3) and 257.105(h)(5).

If you have any questions regarding this document, please contact the undersigned.

Sincerely,

Louise Jennings
