

COUNCIL ACTION FORM

SUBJECT: 2019/20 ARTERIAL STREET PAVEMENT IMPROVEMENTS - 13TH STREET (WILSON AVE - DUFF AVE)

BACKGROUND:

This program is for repair and reconstruction of arterial streets. The 2019/20 program location is 13th Street between Wilson Avenue and Duff Avenue.

This project includes reconstruction of the street pavement with 8 inches of new concrete pavement, storm sewer improvements, sanitary sewer manhole replacements, water main improvements, and ADA sidewalk ramp improvements. Also incorporated into this project are sidewalk and conduit associated with enhanced intersection crossing improvements at Clark Ave. (2017/18 Multi-Modal Roadway Improvements), storm sewer pipe upsizing between Wilson Ave. and Clark Ave. (2016/17 Low Point Drainage Improvements), and new 8" water main to replace an existing 6" main from Wilson Ave to Duff Ave (2019/20 Water System Improvements).

On June 17, 2020, bids for this project were received as follows:

<i>Bidder</i>	<i>Bid Amount</i>
<i>Engineer's estimate</i>	<i>\$ 2,588,306.50</i>
Con-Struct Inc.	\$ 2,350,344.20
Keller Excavating	\$ 2,699,233.50
Absolute Concrete	\$ 2,699,690.70

Engineering and administration costs are estimated to be \$360,000, bringing the **total estimated project cost to \$2,710,344.20.**

Available revenues sources associated with this project are:

G.O. Bonds	\$ 1,600,000
2019/20 Water System Improvements	\$ 1,000,000
2019/20 Sanitary Sewer Rehabilitation	\$ 115,000
2017/18 Multi-Modal Roadway Improvements	\$ 35,000
2016/17 Low Point Drainage Improvements	\$ 200,000
Total Available Revenue:	\$ 2,950,000

ALTERNATIVES:

1. a. Accept the report of bids for the 2019/20 Arterial Street Pavement Improvements – 13th Street (Wilson Ave – Duff Ave).
 - b. Approve the final plans and specifications for this project.
 - c. Award the 2019/20 Arterial Street Pavement Improvements – 13th Street (Wilson Ave – Duff Ave) to Con-Struct Inc. of Ames, Iowa in the amount of \$2,350,344.20.
2. Do not proceed with the project at this time.

CITY MANAGER'S RECOMMENDED ACTION:

By awarding this project, it will be possible to move forward with these utility and pavement improvements. The reconstruction of this roadway will restore the structural integrity and serviceability of this important arterial street and the new water main will ensure adequate fire protection and service for residents and businesses.

Therefore, it is the recommendation of the City Manager that the City Council adopt Alternate No. 1, as described above.
