There will be no handicaps assigned to golfers. Each day there will be two flag prizes. Staff will assign and rotate who you play with weekly. Below is a description of each format.

- Couples Scramble – Play with your partner (twosome game). Each player hits their tee shot, then you pick the best shot, and both hit from there and continue until the ball goes in the hole.
- 3,3,3 Game – Play with your partner (twosome game). Holes 1, 2, and 3 are Couples Scramble where each player tees off, pick the best shot, and both hit from there and continue until the ball goes into the hole. Holes 4, 5, and 6 will be Modified Alternative Shot. Both players tee off, then pick the best shot. If you use Player 1's drive, player 2 will hit the next shot. Alternate until the ball goes in the hole. Holes 7, 8, and 9 are Best Ball. Both players play their own ball and write down the lowest score.
- Par 3 Course – Play your own ball. Staff will adjust the tee box markers to make every hole a par 3. Play from single tee marker in the fairway. Holes 4 and 9 play from regular tee box.
- 2 Couple Scramble (4-person scramble) – Play with another couple (foursome game). Each player hits their tee shot and pick the best shot as a team. All hit from there and continue until the ball goes in the hole.
- Modified Alternate Shot – Play with your partner (twosome game). Both players tee off and then pick the best shot. If you use Player 1's drive, player 2 will hit the next shot. Alternate until the ball goes in the hole.
- 3 Clubs Per Person Couples Scramble – Play with your partner (twosome game). Before starting your round, you will decide which three clubs you will use. You can ONLY use these three clubs from your bag (no sharing). You will play a scramble format, so each player hits their tee shot, then pick the best shot. Both golfers hit from there and continue until the ball goes into the hole.
