*A note on arrests and charges. There is a difference between a discretionary and non-discretionary arrest. Non-discretionary arrests involve incidents when the officer has no choice but to make an arrest. Examples include, but not limited to; Driving While Barred, Driving While Revoked, Driving While Suspended, Warrant Arrests, Contempt of Court, Failure to Appear, Probation/Parole Violations, Domestic Assaults, and Theft calls when a private business wants to file charges on offenses such as shoplifting. Other cases are incidents where there is a victim, and we have victim focused investigations allowing them voice in the decision-making process. In all cases, an officer must establish probable cause to make an arrest.
