

Notice of Construction Lincoln Way Traffic Shift

Marshall Ave to Franklin Ave

Public Works Department
Engineering Division

515 Clark Ave.
Ames, Iowa 50010

515.239.5160

Starting Date: Weather permitting, beginning **Friday, September 20th**.

Traffic will be shifted to a single lane in each direction on the eastbound lanes of Lincoln Way between Marshall Ave and Franklin Ave to facilitate the removal and replacement of the westbound lanes.

Business access from Lincoln Way will be closed in this section, with business traffic redirected to Marshall Ave, where signage will indicate "North Business Access."

The sidewalk on the north side of Lincoln Way between Marshall Ave and Franklin Ave will also be closed during this stage of work.

Anticipated duration to complete the westbound lanes is 4-5 weeks. Once this work is complete, business access will reopen, and work will begin on the north half of the Marshall Ave intersection.

Action Required by Residents: Please use alternate routes if possible. The work zone will have low speeds and narrow lanes. Allow extra travel time as delays will occur. Bicyclists and pedestrians, please use the signed detour route. Residents with landscaping in the ROW, please remove all plants and objects as they may be damaged or removed by construction operations. All green spaces disturbed by the project will be restored. Please review the anticipated work zone on the back of this notice. This is subject to revisions as necessary but provides an idea of the project location.

Project Details: The City of Ames has contracted with Con-Struct for the reconstruction of Lincoln Way from Beedle Dr to Franklin Ave. This work will be completed in 7 major stages, with intersection stages completed as quickly as possible to restore access to side roads. The project will also include spot improvements to utilities and reconstruction of the shared-use path on the south side of Lincoln Way. For more information, see the project informational video at www.cityofames.org/LincolnWay.
